Fall 2009

Dear Friends and Fans,

On behalf of the Football and Cheerleaders Parents Association, welcome to Rocco Montesano Athletic Stadium, home of the Bergenfield High School Bears.

The football and Cheerleading Parents Association is focused on continued support for all the children in the football and cheerleading programs. The Association is active throughout the season by sponsoring many fund raising events to support the participants of the program. We encourage all parents to help with this effort. "Bear Wear" merchandise is available at all home games.

The Football and Cheerleading coaching staff has been working hard to prepare for the upcoming season. Our best wishes to all the players and cheerleaders who have worked so hard to represent themselves, their school and our community.

We would also like to thank the Bergenfield High School Marching Band for their stellar halftime performance, as well as their continued and unconditional support of our team.

Our sincere appreciation to the merchants of the community for their continued support of our program and all other activities at Bergenfield High School. Please show your support by patronizing these merchants for all of your needs.

A special thanks to all the friends, families and fans that make our organization a success and to making this a successful season.

May the players and cheerleaders, have a safe, healthy and successful season. Make it one that we will always remember!

With Bear Pride,

"The Bergenfield High School Football and Cheerleading Parents Association"

Let's Go Bears!

A Message from the Superintendent

Let the Games Begin!

Welcome to the Bergenfield High School 2009-2010 school year. As you review this impressive fall program, you will read the names of our dedicated athletes who will begin this new season filled with hope and promise. Regardless of whether or not they attain all of their goals, our students will be cheered by our supportive fans throughout the season. I, too, applaud all Bergenfield students who dedicate themselves to participation in our extra-curricular programs. The exhausting hours of practice and commitment will certainly translate into disciplined lives and outstanding character that will positively impact their future. However, this year, I would like to take the time to also pay tribute to the members of our sports program that do not receive accolades on the field.

Legendary college football coach, Eddie Robinson, stated that “Coaching is a profession of love. You can’t coach people unless you love them.” For this reason, I salute all of the coaches and advisors across the Bergenfield School District in every one of our programs. Coaches and advisors dedicate countless hours beyond their compensated work to serve as teachers, counselors, mentors, and friends to our students. This year, we are fortunate to welcome Shane Biggins as Head Football coach. This young man is a graduate of our school system as well as a physical education teacher. He will blend a knowledge of our Bergenfield tradition with all of the valuable life lessons he was fortunate to receive. Passing-it-on has been the practice that has kept our nation’s ideals alive throughout centuries.

Meanwhile, there is no better example of unconditional love and support than our amazing Bergenfield fans. Regardless of what the scoreboard says, every participant on the field or on the bench can enjoy their palpable support. The air temperature may be frigid, but our fans endure it all to let our children bask in the warmth of feeling loved and supported. We could not ask for more. Once again this year, I implore you to join me in extending our gratitude to the members of the Football and Cheerleading Parents Clubs and to the Friends of Music Booster Club. They are our most effective ambassadors. I want to also thank the community at large for supporting the school budget the past four years. Without your sponsorship, we could not continue to offer such diverse and successful programs.

To a great Fall season and beyond. With Bear Pride,
